- 1008 Cranium from a Mound in Henry
Co. Indiana in 1859. there were large
trees growing on the mound. Also, at the
same time a lot of stone implements
was taken from the mound. The rest of
the body all fell to pieces as soon as
the air came in contact with it. There
was charcoal packed around the
head.
Received in exchange from the
Smithsonian Institution
collected by Dr. A. Ashbaugh.
S. I. 12989

cranium with lower maxilla

Nacem

70 years old, on Schaphuis.

Presented by Asst. Surgeon
Charles B. Byrne, U.S. Army.
or Byrne writes that he is
not the donor

Found to have been sent by M. M.
Shearer, Asst. Asst. Surg. Transferred to
Surg. Sec. 6525.

Rec. March 26, 1875.

Ack. by Dr. Chis March 28, 1875.

1171 Cranium of an unknown race.

This skull was found in 1869, at the
abandoned town of Gran. Jucvire N.M.

A. 1098

50 miles west of Fort Stanton. Tradition

ascribes to the Spaniards the building of this town

and states it was abandoned by them on account

of an Indian insurrection that the town was built of

cut & hewn stone & not of the ordinary brick & adobe

Collector Dr. J. Rothrock.

(no 7 in Lieut. Wheeler's letter)

Presented by Lieut. Geo. M. Wheeler,
U.S.A. in charge of Geographical Explora-
tions & Surveys West of the 100th meridian

1874.

catalogued April 7, 1875.

Ack. by Surg. Genl. March 16, 1875 (Geo. M.)

1172 Cranium of a Mexican from
near foundation of the old cath-
edral of Santa Fe N.M.

A. 1099

Collector Prof. E. D. Cope & Dr. W. C. Yarrow
no 8 in Lieut. Wheeler's letter

1173 Cranium of Mexican from same
place as 1172.

A. 1100

Collector Prof. E. D. Cope & Dr. W. C. Yarrow.
no 9 in Lieut. Wheeler's letter.

1174 Cranium of an Apache Indian
(broken) The leader of the massacre
at old Camp Grant Arizona in
the spring of 1874.

A. 1101

Collector Dr. J. T. Rothrock.
no 10 in Lieut. Wheeler's letter

Crania measurements of this donation were
sent Dr. Yarrow April 21, 1875.
